On Tuesday [The New York Times](#) dropped a bombshell revealing that Stefan Halper's assistant, **'Azra Turk,' who met with Papadopoulos** is September of 2016 was actually an FBI investigator posing as a sexy assistant to Halper.

Trump campaign foreign policy advisor George Papadopoulos traveled to London in September of 2016 after he received a strange request via email, for a meeting from Stefan Halper, a Cambridge professor with CIA connections, to discuss foreign policy.

Halper sent Papadopoulos an email in early September of 2016 offering him \$3,000 to travel to London and write a policy paper about Cyprus, Turkey and Israel because Papadopoulos was working in the Israeli energy business and had an extensive amount of knowledge in that field.

Enter the spy posing as a sexy assistant...

Stefan Halper's assistant, Azra Turk (alias), who Papadopoulos referred to as a 'honeypot,' said she flirted with him and directly asked him if the Trump campaign was working with Russia.

*The BRITISH (Stefan Halper), AUSTRALIAN (Alexander Downer and Erika Thompson) and TURKISH (Azra Turk, spy working for Halper) all spied on an American citizen and campaign. Obama, Brennan and Clapper knew.*

Papadopoulos later deleted the tweet for some reason.

On Thursday *The New York Times* wrote about the FBI Spy Azra Turk. The deep state is in a panic and hoping to ward off the firestorm from the upcoming IG report.

The report must be devastating.

You can tell by the actions of the Democrat Party and deep state operatives this week.

I am getting so excited because things are about to hit the fan.

Who will be the FIRST to be indicted?

I think it will be Brennan.

The democrats are upset about a letter from Mueller to Barr so wait until the indictments start.....HOLY COW.

Clapper was a useful idiot. Loretta Lynch is more likely the weak link in my opinion. She was also used as a pawn by the Obama Administration and the Clinton Cabal in my opinion.

Loretta Lynch was told on the tarmac what would happen to her grandkids.....

if she goes off message.

She doesn't have any grand kids. Nor does she play golf. That's one reason why Clinton's explanation of their conversation is so unbelievable. Is it not ASTOUNDING that the MSM still has no interest in investigating this?

would have to be 'adequately predicated' reason for spying. Look for more stories from the Times. They will build the following BS narrative for 'the deep state'-- They really really believed that Trump was an agent of Russia--so they began spying on the campaign.

Hopefully it will set up as the WSJ vs the Slimes--as Kim Strassel has been all over the FBI corruption at the WSJ for two years

My money is on Priestap. He was Strzok's boss but ol' Pete seemed to be operating as an independent contractor for Hillary. McCabe and Strzok worked around Priestap as much as possible. I think he'll flip for a slap on the wrist sentence.

Julie, It appears to be Nellie Ohr. Her Criminal Referral has been officially sent. She is the First Domino in the series of the whole mess anyways, so its right for her to fall first. Honestly she will most likely turn states evidence and start singing to save herself and her husband Bruce who will most likely face charges at a later date.

McCabe was officially sent too. Nothing happened to him and he went on to do a book tour.

I hope its Brennan, but I am thinking a bunch of low level staffers (who feed their superiers info) will end up falling on their swords.

Brennan, Yates , Comey, Mccabe and on down . Really do not expect Clinton and The Most Holy Usuper to go down .

McCabe, Lisa Page, Nellie Ohr are the weakest links. Comey probably already has immunity from Rosenstein-Mueller. It explains WHY he is such an enormous Prick on Social Media. I think Peter Strzok also has immunity. He was literally making faces at Congress during his testimony.

Hopefully others were not given immunity deals, like what happened during the Clinton Email Server "Investigation"... Immunity Deals can be broken or voided IF the person refuses to cooperate and give FULL testimony.
